This is the production of a strong mind, an honest Judge, and a man of great moral worth. Soaring infinitely above the petty technicalities of legislation, he descries the in-herent, inaherable rights of humanity; and being most happy as a writer, it is easy to see why and how his work becomes possessed of uncommon merits. It might be called condensed truth. Our laws are faulty; he shows wherain. PENMANSHIP.—The Cheap Term at GOLDSMITH'S Writing Rooms, No. 289 Broadway. All men who think, see the necessity of neat and rapid Penmanship in this pen driving age. The educated world pushes on; ignorance is left behind with powerty for a companion. The amount of correspondence in the United States has quadrupled in five years, and the expert penman alone can keep up with the rush of this great commercial era. Even lightning has been taught to write for the public convenience. The young man whose pen elops like a mostic wand the impulse of his shoughts, whese handwriting is a legible proof of his fitness for the first and most important mechanical duries of a derk, correspondent or copyist, will have ene hondred chances of profitable emcopyast, which has not one.
